Skin Haven Spa Studio

Come experience results-oriented treatments in a private spa studio. We offer a full range of skin care, massage/bodywork, body treatments, and hair removal services. We specialize in hosting and planning spa parties and special events in our space as well as coming to you at your office or an off-site event. We also create unique gift packages including our gift certificates, Skin Haven skin care & spa/body products, spa socks & robes, soy candles & soaps, designer jewelry, original artwork, and more.

Our spa is an intimate, tranquil environment with four treatment rooms and a beautiful Zen lounge. From the moment you enter Skin Haven Spa Studio, you will forget the world outside and feel completely relaxed.

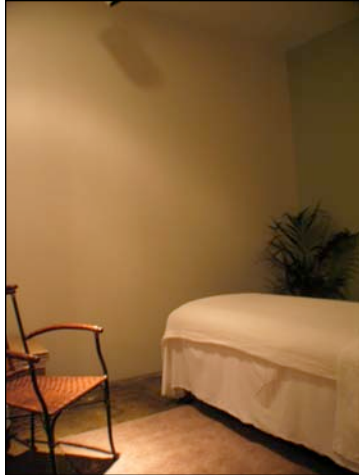

We pride ourselves on the consistent quality of our therapists and treatments, and on our personal one-on-one service for each client. You will love the private, relaxing atmosphere.

Discover why Skin Haven was voted Best Spa in Los Angeles by Citysearch and has been featured in Allure, Los Angeles, Self, British Elle, Lucky, In Touch, YogiTimes, & Los Angeles Weddings Magazines, as well as Daily Candy, LA.Com, Splendor, SpaFinder, Spa-Addicts, and more!

Private Spa Parties

We can accommodate anywhere from two to hundreds of guests at our Spa and courtyard in order to create an affair to remember for a client appreciation event, company retreat, holiday party or thank you to a specific employee. For couples, we enjoy creating a romantic atmosphere with candles, low light, a catered dinner for two in the Zen Lounge and treatments in our private rooms. For groups, we can provide treatments ranging from mini-sessions in the lounge (chair massages, reflexology, nail services, foot treatments) to facial and massage sessions in our private treatment rooms for 30, 50, or 75 minutes each. We will work with you to meet your objectives and to design the perfect spa day for any occasion, based on your group size, budget, and objectives. Your event will be completely unique and utterly unforgettable.

Our larger events at the Spa include indoor cocktail parties for up to 75 people to the ability to accommodate several hundred guests by utilizing our outdoor courtyard. The courtyard can be tented and a lounge or special environment is created with rentals, lighting, and other decorative effects.

We are happy to simply rent our space to you or to plan your entire event including catering & a bar, rentals, music and gift bags.

Out-Call Services

Human capital is one of your most valuable assets and we understand that the retention of your best people as well as grooming your rising stars is a key component of any successful business.

We recommend hiring Skin Haven to come to your office once a week, month, quarter or year in order to offer a unique thank-you to your staff. Depending on the number of people you would like to invite for a treatment, we can provide chair massage or table massage services and set up in a conference room or in private offices. We are able to dedicate one or more therapists to the event with each therapist working up to 6 hours with small breaks between treatments.

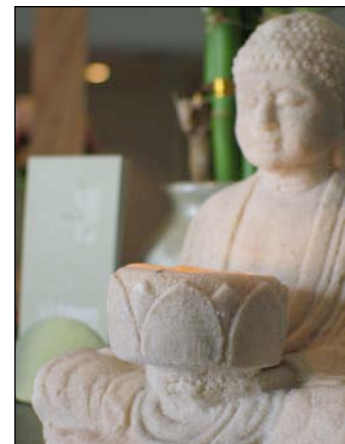

Some ideas include: an analyst appreciation day for financial services institutions with multiple chair massages in one room, table massages for Executives in their private offices, and chair massages for holiday parties and other special occasions.

Offsite Events

We are happy to partner with corporations at marketing events, trade-shows and other client focused events. We have staffed events for publishing and entertainment companies as well as for companies in the automotive, apparel and beverage industries. Clients appreciate a 10-15 minute chair massage and it is the perfect opportunity to offer them something unique and unexpected.

Our team will show up and work the event and can even help to plan the atmosphere, scheduling, market research and data capture as well as other event planning and marketing initiatives.

We pride ourselves on our professionalism and client service including having one of our Spa Managers on-site to manage the booth/tent for you. We are pleased to represent your company with enthusiasm.

Client & Employee Gifts

Skin Haven creates customized gifts for individuals or for a group of clients or employees. You can purchase a gift certificate in any amount for a holiday, anniversary or birthday present or to say thank you in a unique way. We also design gift packages with a spa theme including our world's softest socks & robes, soy candles & soaps, Skin Haven skincare and spa/body products, jewelry and other unique items.

We are happy to be a resource for your outsourced gifting consultant or to play a one-stop shopping role for you.

Pricing
